We are thrilled to announce that Market Music officially kicks off in April!

Thanks to our generous 2025 sponsors, Vancouver Toyota and Washington Trust Bank, we are expanding this year! Starting April 5th until the end of October, you can find local musicians performing at the Downtown Market every Saturday AND Sunday from 11am - 1pm.

A big shoutout to @drivetoyota and @watrustbank for allowing us to showcase the best of our local music scene while enhancing the market's family friendly atmosphere. We are so grateful for your support!

Local Musicians! If you want to perform at the market, visit the link in our bio to submit your application.
